TOOLINK L

TOOLINK L is an attachment that allows you to connect and secure a heavier tool weighing up to 5 kg when working at height. The ergonomic connection point allows you to quickly clip and unclip, so it's easy to use.

TOOLINK L is an attachment for securing a tool that weighs up to 5 kg. The anti-slip device keeps the girth hitch in place.

Connecting to the TOOLEASH is easy with its ergonomic TPU connection point.

To make working at height easier, Petzl offers a complete solution to help prevent accidentally dropping your tool.

Short Description Attachment for a tool weighing up to 5 kg (pack of 5)
