Elko has decided to make RoHS compliance of its products one of its priorities, even if they do not fall in RoHS scope, and most of Elko products are RoHS compliant. This stance is fully in line with Elko environmental policy and EN50581 standard.

The following product is RoHS compliant without exemption,

Description	Commercial ref
RS USB A+C outlet pure white	EKO30140
PLUS USB PD A+C charger 45W polar white	EKO07232
PLUS USB PD A+C charger 45W black	EKO07233
RS USB PD A+C charger 45W polar white	EKO07237
RS USB PD A+C charger 45W pure white	EKO30196

The information below provides the current product status according to regulation in force at the date of publication of this present document. Any future changes, either in product design or in the Directive may change the status reported here. In case the product is inside the legal scope of RoHS, please note that this document is not the CE declaration. To access to the CE declaration, please refer to our [download center](#). In the context of the sustainable development policy of our Company we continuously work towards products and services which reduce the impact on environment or human health when used for their intended purpose and in conditions stated in the documentation provided by Elko.

Shall you need any further information or have specific questions (eg. related to phased out products), our [customer care center](#) will support you. Please Note: You can find more information about Elko environmental commitment on [our website](#).
