## Ingersoll Rand® 125-A Needle & 125CI-A Chisel Scalers

The Ingersoll Rand® 125-A Needle Scaler is great for cleaning and removing paint, rust, dirt, or weld slag. Building on the foundation of the popular 125, the tool's needle spring has been reengineered to provide a significant increase in durability. The 125-A now delivers more blows per minute and more than double the work life of its predecessor\*, making it a great dependable and economical choice for prepping surface work. Also available as a chisel scaler, 125CI-A.

### Tool Features

#### DURABILITY

Reengineered needle spring delivers more than twice the life of its previous version.

#### ECONOMICAL

A great value that will work as long as you do.

#### VERSATILITY

Can be used with 1/8" round needles (Qty 19) or with chisel attachments to match up with many of your surface preparation needs.
